

MISSION STATEMENT

Board Policy

The Board of Trustees of the Shelley Joint School District No. 60 has adopted the following mission statement for the school district.

The Shelley District will focus its educational resources to help all students learn to:

- Exercise self discipline,
- Communicate effectively,
- Solve problems,
- Work well together
- Use technology to collect and manage information.

Suggested Implementation Guidelines

The mission statement guides the decision making process of the district, and its intent is communicated and advanced by posting it within the classrooms of the District and in other ways as deemed appropriate by the Superintendent of Schools and Building Principals.
