

**Board Policy**

The Superintendent, as the sole executive officer of the Shelley Joint School District No. 60, shall organize the administration of the schools in such a manner as to facilitate the achievement of District goals and objectives.

The Superintendent shall have general supervision of all the public schools and of all personnel of the school system. The Superintendent is responsible for the management of the schools under the Board's policies and is accountable to the Board of Trustees.

The Superintendent may delegate to other school personnel the exercise of any powers in the discharge of any duties imposed upon the Superintendent by these policies, or by vote of the Board. The delegation of power or duty, however, shall not relieve the Superintendent's responsibility for the action taken under such delegation.

The Superintendent, in addition to serving as executive officer of the Board, acts as the educational advisor to the Board of Trustees.

The Superintendent, with the assistance of his/her staff, shall be responsible to provide the professional leadership and skill to translate the will of the Trustees into administrative action, and is delegated by the Board of Trustees the authority to carry out that responsibility.
