

VISION STATEMENT

**Board Policy**

The Shelley Joint School District No. 60 Board of Trustees developed and adopted a vision statement for the school district, which is to be prominently displayed in the classrooms of the Districts schools. That vision statement is:

*Our youth will flourish and prosper in the 21<sup>st</sup> Century through preparation in a World-Class learning and service environment.*

**Suggested Implementation Guidelines**

The District vision statement guides the decision making process of the district, and its intent is communicated and advanced by posting it within the classrooms of the District and in other ways as deemed appropriate by the Superintendent of Schools and Building Principals.
